

# MASSAGE & COSMETICS NATURAL WELLNESS

**Experience the good feeling of being in good hands.**  
Our wellness team pays full attention to your well-being, focusing on aromatherapy, natural pine products and tailor-made options based on different personality types. Treat yourself to an unforgettable, healthy experience: your natural wellness day at Kristall Therme Kochel am See.

All treatments – except Hamam – are available without visiting the thermal bath. Please note that we do not massage pregnant women. We ask for your understanding.

## IMPORTANT INFORMATION FOR OUR GUESTS

**Pools and saunas of the Wohlfühltherme** (thermal bath) are only **to be used without textiles**. Therefore, entry to the Wohlfühltherme is only permitted for those aged 16 and over. On Wednesdays and Sundays, you may choose whether to wear swimwear or swim naked in the indoor pools. On these days, children under 16 are also welcome to the Wohlfühltherme.

Saunas and the roof-top pool are always to be used textile-free.

Cameras and electronic devices with camera (e. g. smartphones, tablets, notebooks) are prohibited in the Wohlfühltherme.

**Cashless transaction in all areas**  
You will receive an NFC chip wristband at reception. Use it for your locker and to charge food, drinks, or spa services. Simply pay any additional charges when you leave Kristall Therme.

**Do you need bath towels or bathrobes?**  
You can rent them at the reception for a fee.

Our team is always happy to help in case you have any questions.

# KRISTALL SAUNAS

**BIRKEN-SAUNA** (around 70° C)  
Primarily purifying the body, birch oil soothes inflammation and softens the skin. Birches’ stimulating compounds boost circulation and blood flow.

**HERZOGSTAND-SAUNA** (around 80° C)  
The premier sauna with a full-glass front and unparalleled view of Herzogstand and Lake Kochelsee. Baroque ceilings and gemstones craft a special atmosphere; seating orientation ensures the stunning panorama from any of the 300 spots.

**HUBERTUS-SAUNA** (around 80° C)  
Set inside the original Carinthian farmhouse with the adjoining „Murmelstube“ for post-sauna relaxation. Alpine motifs create a unique ambience; windows offer views of Herzogstand and Lake Kochelsee.

**KRISTALL-SAUNA** (around 95° C)  
Feel the majestic, clear mountain crystal that embodies purity and energy. Its natural silicon-rich composition and radiant clarity reflect its strong, health-boosting properties as a crystalline healing stone.

**OTTOMAN HAMAM**  
Originating over 500 years ago, this Eastern bathing culture promotes physical and mental cleansing through heat, muscle relaxation, and mental relaxation.

**STEAMBATH** (around 45° C)  
High humidity (80 – 100 %) with moist heat aids circulation, opens vessels, and stimulates metabolism; helps relax tense muscles and joints.

**ZIRBEN-SAUNA** (around 75° C)  
Aromatic stone pine wood fills the air with a soothing scent, especially during the Aufguss. Pine wood is antimicrobial and highly aromatic, contributing to a strong feeling of well-being.
